**Other Skills:** Fluent in Spanish, graphic design, video editing, and photography.

## Work Experience

### Front-End Developer, SeeFood

April, 2020 - Present

- Implemented efficient and optimized front-end architecture using modern frameworks and libraries such as React.js, Next.js, and Bootstrap.
- Worked closely with back-end developers to integrate front-end components with server-side logic and database systems, facilitating seamless data flow and functionality.
- Utilized version control systems like Git to manage codebase, track changes, submit pull requests, and collaborate with team members effectively.
- Managed code reviews and provided constructive feedback to team members, ensuring adherence to coding standards, best practices, and code maintainability.

### UI/UX Design Intern, SlashM Studio

March, 2020 - July, 2020

- Assisted Senior UX Designer in conducting user research and usability testing sessions, collecting valuable insights and feedback to inform design decisions.
- Conducted competitive analysis and benchmarking studies to identify industry trends and best practices, providing valuable input for the design process.
- Collaborated with the development team to ensure the feasibility and implementation of UX designs, providing guidance and support during the development process.
- Directed heuristic evaluations and usability audits of existing digital products, identifying areas for improvement and suggesting UX enhancements.

## Education

### Foundations of User Experience (UX) Design, Coursera

September, 2022

### Associate Degree in Business Administration, Hartnell College

May, 2019
