Skills

Programming: HTML5, CSS3, Javascript, ReactJS, NextJS, API Integration, Sass, Typescript, Bootstrap, PHP and jQuery.
Tools: Adobe XD, Figma, Sketch, Protopie, Slack, Bezel, Github, XCode, Google Analytics, Adobe Suite, and Webflow.
Design: Wire-framing, product hand-off, prototyping, and interaction design.
Research: Qualitative research, user interviews, competitive analysis, heuristic evaluation.

Work Experience

Front-End Developer, SeeFood
April, 2020 - Present

- Implemented efficient and optimized front-end architecture using modern frameworks and libraries such as React.js, Next.js, and Bootstrap.
- Worked closely with back-end developers to integrate front-end components with server-side logic and database systems, facilitating seamless data flow and functionality.
- Utilized version control systems like Git to manage codebase, track changes, submit pull requests, and collaborate with team members effectively.
- Managed code reviews and provided constructive feedback to team members, ensuring adherence to coding standards, best practices, and code maintainability.

UI/UX Design Intern, SlashM Studio
March, 2020 - July, 2020

- Assisted Senior UX Designer in conducting user research and usability testing sessions, collecting valuable insights and feedback to inform design decisions.
- Conducted competitive analysis and benchmarking studies to identify industry trends and best practices, providing valuable input for the design process.
- Collaborated with the development team to ensure the feasibility and implementation of UX designs, providing guidance and support during the development process.
- Directed heuristic evaluations and usability audits of existing digital products, identifying areas for improvement and suggesting UX enhancements.

Education

Foundations of User Experience (UX) Design, Coursera
September, 2022

Associate Degree in Business Administration, Hartnell College
May, 2019
